

111 Jahre

Edition **111**

// GET YOUR ANNIVERSARY PACKAGES

Edition 111

OUR EDITION PACKAGES

WITH UNBEATABLE CONDITIONS

VOLLMER is offering the exclusive „Edition 111“ to celebrate the 111th anniversary. We bundled the most important equipment highlights in usable edition packages - with the focus on maximum efficiency. Take advantage of this unique opportunity and order our limited packages at top conditions.

// VPulse 500

Latest generator technology, fully automated and the new flexible A-axis for the most used clamping systems up to HSK100.

// QXD 250

Maximized efficiency with integration of PFP (Performance Package), new functions on HP360 and the brandnew developed tool loader HR.

// QM eco select

Maximum flexibility with proven machine kinematic, including all available software modules.

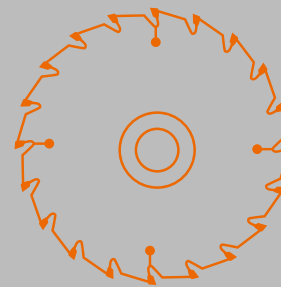

// VGrind 360

Maximized efficiency due to higher torque, fully automated, simultaneous change of grinding wheels and tools.

// VGrind 360E

Latest and proven machine kinematics with internal automation system.

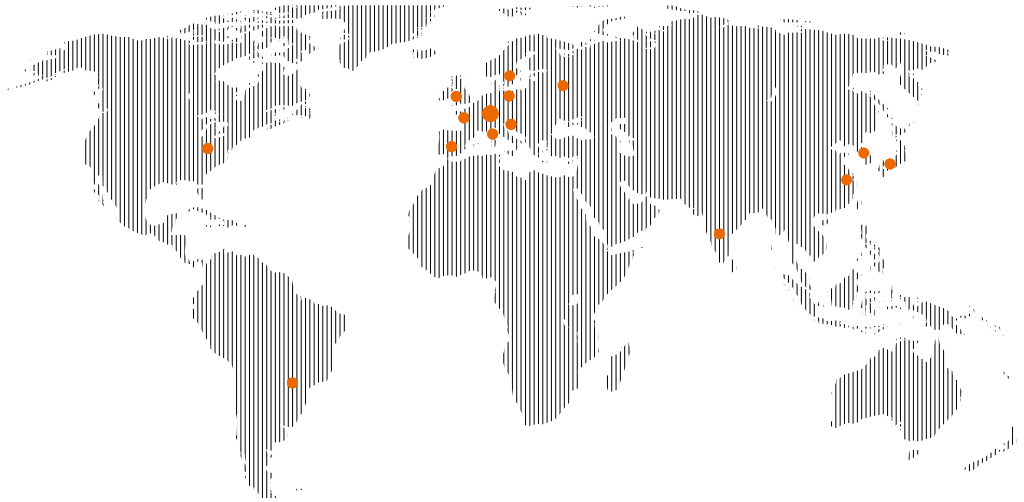

Information about
